4) If you wish to attempt selecting seats in specific seating areas, click on "Choose Prices & Sections" and select the seating areas you wish to try. Use the arrow in the top left corner to return to the event page, and then click "Find Tickets". If there are seats in those areas that are available to your Membership type, the best seats in that area will be selected. Alternatively you will be allocated the best available seating that remains and is available to your membership.
